Tuesday: Prague – Bratislava (330 km)

Your Prague adventure begins with a spectacular walk along the **Royal Route**, following the traditional coronation path of the kings and queens of old Bohemia. You'll start from the top of **Castle Hill** in the Hradcany district, famous for its views over the red-roofed old city, and then tour **Prague Castle**. The castle has been the historic seat of Bohemia royalty since the 9th century, as well as home to the nation's presidents in recent times. Later you will stroll across the iconic **Charles Bridge**, which arches gracefully over the Vltava, and on through the winding alleys to the **Old Town Square**, where you can see the City Hall and one of Prague's most well-known sights, the **Astronomical Clock**.

Its capital, Budapest, is known as the Pearl of the Danube, and is essentially two different cities joined together: Buda on the west of the river, Pest on the east, each with its own distinct characteristics. One of the best ways of seeing this unique location is by taking a river cruise, which many people choose to do. After a morning of activity, you'll relax over lunch at Buda Palace, and then have a chance to look at the exhibitions in the Budapest History Museum and Hungarian National Gallery, or do a spot of souvenir shopping. Next you'll explore both sides of the city on a cultural and historic tour. Highlights on the Buda side of the Danube include the towered terrace of Fisherman's Bastion, the medieval Matthias Church and a walk up to the summit of Gellért Hill for panoramic views. While over in Pest the sights include the expansive **Heroes' Square** and Hungary's dramatic riverside Parliament Building. In the evening, you can choose to round off an eventful day with an optional dinner in the heart of Budapest, where you can sample traditional dishes such as goose liver, goulash, duck leg and local wine, accompanied by Hungarian folkdance and music.

From here you can opt to board a cable car that takes you to the summit of the impressive **Mount Titlis**. To reach to the top of the permanently snow-covered Mt. Titlis is by a combination of gondolas over 3 stages. You’ll ascend the last stage by the world’s first revolving gondola the Titlis Rotair, that delivers spectacular views of the valleys, glaciers, lakes and forests below, and 360° vistas of the surrounding mountains. At the summit the sun terrace is the perfect place to pause and appreciate the breath-taking panoramas. There’s a 150-metre ice cavern through the core of a glacier to explore at the top. Other highlights include walking across Europe’s highest suspension bridge for more phenomenal views from Mt. Titlis. You’ll come down from the hills to the lakeside for your next stop. Lucerne is a picturesque city of bridges and towers located in what many people believe to be the “true” Switzerland – picture-postcard Mountains, lakes, cowbells, Alpine villages and meadows full of edelweiss flowers. Here you will have time to wander through the charming streets, and see the famous **Lion Monument**, which Mark Twain once described as “the most mournful and moving piece of stone in the world”. This is a great place to get souvenirs like Swiss watches and fine chocolates, before travelling to the overnight stop of Zurich. If weather and traffic is permitting, we MIGHT take a photo stop in one of the smallest country in Europe – Lichtenstein.

Here you will see the beautiful **lake Titisee**, where you can stop at one of the many lakeside cafés to enjoy some of the region's best Black Forest cherry gateaux. Cuckoo clocks are made in Titisee, making this the ideal place to pick up a few souvenirs from the local shops, and you'll also get to see a demonstration of how these magical mechanisms work.
